IFB No: GTCL/B-KP/EPC(CGS-TBS)/011

Date: 27 June 2010

## Invitation for Bid

1. The People's Republic of Bangladesh has received a loan from the Asian Development Bank (ADB) towards the cost of the Gas Transmission and Development Project and it is intended that a part of this loan will be used for payments under the contract named above. Bidding is open to eligible bidder(s) from eligible source countries of ADB.
2. The Gas Transmission Company Limited (GTCL) (hereinafter called "Employer"), a Company of Bangladesh Oil, Gas and Mineral Corporation (Petrobangla), invites sealed bids from eligible bidders from member countries of ADB for design, build and turnkey supply, installation, construction, testing, commissioning of 1 (one) City Gate Station (CGS) at Khulna (capacity:200 MMSCFD) and 3 (three) nos. Town Boarder Stations (TBS) to be located at Kushtia (capacity:20 MMSCFD), Jhenaidah (capacity:35 MMSCFD) and Jessore (capacity:30 MMSCFD) including tie-in works with existing facilities; related civil works with necessary equipment/tools, supply of mandatory spare parts and training to the Employer's engineers & technicians/operators ("the Facilities").
3. International Competitive Bidding (ICB) will be conducted in accordance with ADB's Single Stage: Two-Envelope Bidding procedure and is open to all Bidders from eligible member countries of ADB. Details are provided in the Bidding Document.
4. To be eligible for bidding against this IFB:
  - Bidder (or any Partner-in-charge in case of JV) participation as contractor, management contractor, or sub-contractor, in at least 01 (one) contracts on Turn-Key basis within the last 10 (ten) years, with a value of at least US\$ 2.0 million that have been successfully or are substantially completed and that are similar to the proposed plant and services outside the bidder's own country. The similarity shall be based on the physical size, complexity, methods, technology or other characteristics of the above works.
  - Bidder (or any Partner-in-charge in case of JV) must have successfully completed at least 1(one) comparable natural gas regulating and metering station having capacity of 100 MMSCFD or above on design, engineering, procurement of materials, fabrication/ construction, installation and testing & commissioning on Turnkey basis within the last 10 (ten) years on the date of bid submission.
  - Details and specifications are provided in the bidding document.
5. To obtain further information and inspect the bidding document, bidders should contact:

Project Director,
